## YouCareOn

Exchange of Good Practices in the matter of  
early stage career orientation for pupils and  
young people

Funded by the Erasmus+ Programme of the European  
Union - cooperation for innovation and exchange of  
best practices - KA2 Strategic Partnerships

## PROJECT GOALS

The aim of the project is to foster the education competences of the involved project partners as well as teachers/principals in the matter of an early professional career orientation and guidance for pupils/students of public schools, schools with gymnasium upper level, special education schools and high schools .

## PROJECT ACTIVITIES

6 learning and experience exchanges between the project partners and principles/teachers through the implementation of 5 day on-site visits (so-called mobility) with the aim of acquiring ideas and getting to know good practices and methods, develop and strengthen networks and to gather experiences of the transnational collaboration .

## TARGET GROUPS

- ⇒ Teachers and principals, which deal with the subject of early vocational guidance
- ⇒ Pupils/students/young people from the primary and secondary education, in particular disadvantaged and threatened with early school leaving
- ⇒ Pupils/students with migrant background and a long-term perspective of stay
- ⇒ Staff of the project partners
